Vol XXII, No.2

Marching Band Concert Is On The Horizon

Our band is already preparing music for the Nov. 3rd Marching Band Concert. This year's theme is "Time Machine" and will feature music favorites from past decades. Enclosed is a ticket order for your convenience. Please complete it and return with a check. Benefits from this concert will go to band camp scholarships. Tickets will also be available at all three West Bend M&I Banks as well as at the door. See you there!

Great Job at Mayville Parade and at ALS Walk

The WBHS Marching Band recently dazzled the audience at the Mayville Audubon Days Parade. You can be very proud of your band member child as they once again showed their WBHS Band "Excellence With Pride!" The football pep band traveled to Elm Grove on Sunday, Oct. 11th and provided energetic music for participants in the ALS Walk! The pep band will also perform at the West Bend Farmer's Market on Saturday, Oct. 24th.

Dixieland Band To Perform At WEC Convention

The WBHS Dixieland Band got a very early start this year as it was selected to perform at the WEAC state teacher's convention opening session at the Midwest Airlines Center in Milwaukee on Thursday, October 29th at 10:00a.m. The performance will be in front of 2,000 convention participants and we know this will provide a "toe-tapping" start to the rest of their activities.

Band Website

Please check in with the band website. A new photo gallery will be added shortly and updated after performances. The gallery will feature photos of our students "in action" at all major band activities. Thanks to John Sancomb of our band booster publicity committee for making that happen!

Baraboo/Wisconsin Dells Trip

The marching band will travel to Wisconsin Dells again on November 21st -22nd to perform in the Holly Jolly Light Parade in downtown Baraboo and to stay at the Kalahari Resort. The consent form and payment are due on October 23rd. Thanks for your support!

Auditions

Auditions for concert season will begin on Oct. 26th and go through Nov.6th. That activity is required and part of each student's grade. PULSE Auditions are Oct. 22nd and 23rd and Brass Wind and Fire! auditions are the week of Nov. 9th.
